

The image features a hand holding a glowing sword, set against a dark red background. The sword is bright and appears to be made of a different material, possibly a holy or magical weapon. The background is textured and contains faint, glowing text in a serif font. The text includes phrases like "does not delight in evil but rejoices", "love is kind it does not envy", "remain: faith, hope and love", and "love never fails". There is also some mirrored text on the right side. The overall composition is dramatic and spiritual.

What is your #1 goal in life?

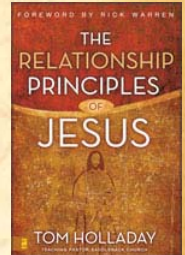

Your answer to that question will reveal your dominant life value. Everyone has one whether they realize it or not. It's what we unconsciously base our decisions on.

God tells us that our dominant life value is to love. Jesus once said that of all the commands in the Bible only two are most important: Love God with all your heart and love your neighbor as yourself.

Unearth the core of Jesus' ministry in how we show love to the people God has placed in our lives here on earth. How can we communicate more like Jesus? How do we love our creator, our neighbors, and ourselves?

Let's discover together a love that is patient, kind, forgiving, unselfish and always speaks the truth, as we embark on this journey through 40 Days of Love.

Based on an exhaustive study of what Jesus did and said about relationships, the book “The Relationship Principles of Jesus” guides readers on a 40-day journey that will bring new health and richness to their marriages, families, friendships, and all the relationships in their lives.

Join us as we begin **40 Days of Love**, a six-week focus on building healthy relationships based on the two greatest commands to Love God and Love others. If you're not in a Life Group, we encourage you to join one and be a part of what will happen during these forty days.
