# **Life Groups...**

Healthy small group environments  
where participants experience  
*authentic community*  
and *spiritual growth*

## **What are Life Groups?**

Life Groups are small groups that meet weekly and are the core of Cornerstone's commitment to personal care for the members of the body.

Life Groups provide a healthy small group environment where participants experience *authentic community* of accountability, belonging and care, and *spiritual growth* in intimacy with God, community with other believers, and influence with the world.

Each Life Group is unique and is made up of many different kinds of people. If you have questions concerning any of our Life Groups, you can call the leader listed in this brochure or the church office and we will help you find the right group for your needs.
